

THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

17 Sept 1975.

Dear Al,

Just a quick line to thank
you for seeing me and to you and Pat for the
excellent dinner.

I flew straight from Europe to
Dallas and talked to the World Affairs Council
there. It was well received. I sharply
upbraided those who seek to blind their own
country and who believe that peace
can be obtained through publicity.

Best to Pat & to you

as ever
